ASTM MEMBER

Woodplay serves on the ASTM International Board to set industry standards in playset safety

SIGNATURE HAND GRIPS

Heavy-duty, no-slip grips lend your kids a hand when climbing a ladder

RAIL CUSHION

Extra padding on entrances and exits to the playset add an extra layer of protection

NO SHARP EDGES

Our beams are milled to have curved edges and an ultra-smooth finish to prevent splinters

NO HARMFUL CHEMICALS

Redwood naturally resists decay, fungal disease, and insects, so no harsh chemicals are needed

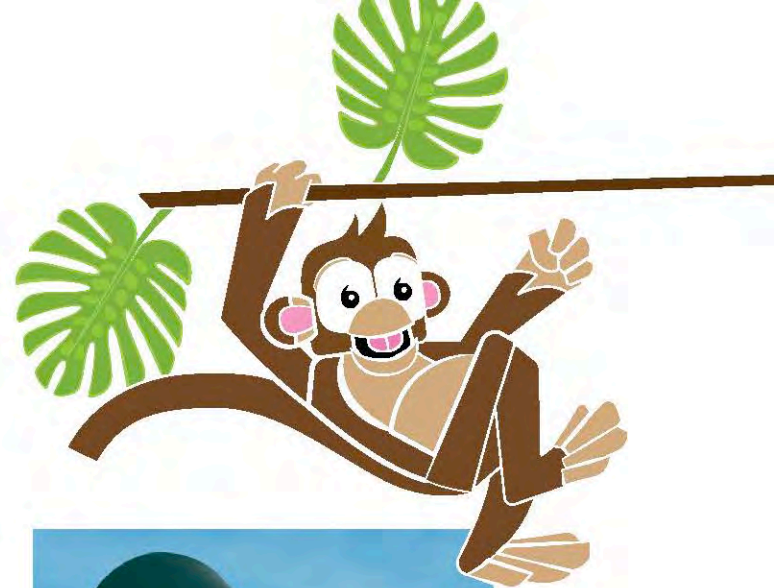

SAFE

Nothing is more important than the safety of your children, and at Woodplay we take great care in ensuring every inch of our playsets go above and beyond industry safety standards.

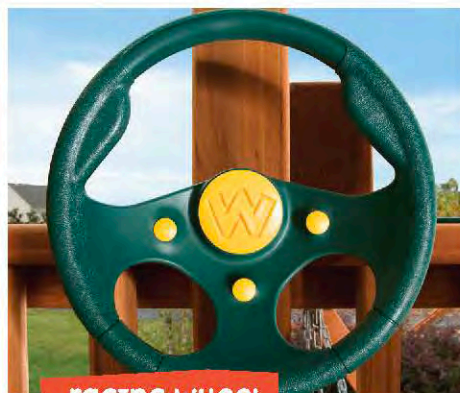

"FUNNOVATIONS!"

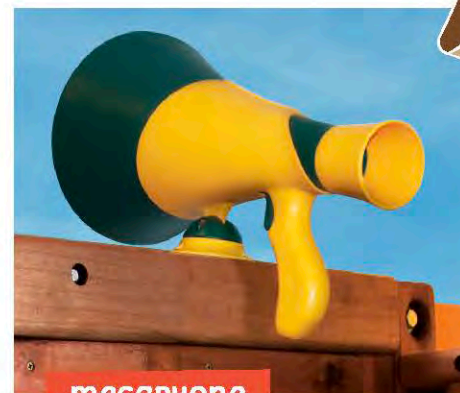

Ignite their creativity with Woodplay Funnovations® that spark imagination and are kid-tested to provide engaging play year after year.

adds strength!**

QUALITY

NO KIDDING GUARANTEE

Woodplay offers an industry-leading, limited lifetime warranty on its redwood playsets - and that's no joke. See back cover for more warranty information.

TRIPLE JOINT

Three large timbers overlap and are secured with 3 pieces of hardware for the strongest joints in the industry.

PREMIUM REDWOOD

Redwood naturally resists rot and decay and minimizes warping and cracking compared to other wood species.

SUSTAINABILITY

Our wood is responsibly sourced from sustainable, managed forests, so we can keep making quality playsets for generations to come, while protecting the environment.

BIGGER BEAMS

We mill our timbers to be bigger & stronger. Woodplay beams measure up to true construction grade dimensions.

GALVANIZED, RECESSED HARDWARE

Our heavy-duty hardware is rust-resistant, commercial-grade, and recessed to prevent scrapes and snags while your little ones play.

REDWOOD & CEDAR

THE ORIGINAL REDWOOD PLAYSET COMPANY HAS MORE CHOICES.

The lumber used in our playsets offers many great advantages! They are dimensionally stable - which means the boards will remain flat and straight with minimal warping or cupping. Redwood and Cedar playsets are naturally decay and insect resistant without the necessity of using harsh chemical treatments.

Woodplay® playsets are built with durability and longevity in mind. Our Cedar playsets carry a limited 15 year warranty. Our Redwood playsets carry a limited lifetime warranty (The best in the industry!). We apply a transparent stain that enhances the natural beauty of the lumber to compliment your yard. The stain is water-based, kid friendly, low in volatile organic compounds and safe for play.

AVAILABLE IN REDWOOD

AVAILABLE IN CEDAR

Look for the above symbols throughout the catalog, denoting the playset's availability in Redwood, Cedar, or both!

**In addition
to our
legendary
Redwood
sets, we
now offer
our entire
playset line
in Cedar!**

EASY AS 1

1 CHOOSE A BASE STYLE & ROOF

PLAYHOUSE SERIES

The Playhouse Series' traditional post-and-beam construction accommodates popular accessories beneath the base, including a built-in sandbox or a full-size convertible picnic table which doubles as a sandbox cover.

OUTBACK SERIES

The Outback Series' wide-angle ladders create roomier play spaces beneath the playset for more active play - add a tire swing, for instance! Our Outback ladders have four different climbing challenges.

2, 3!

2 CHOOSE A SIZE, HEIGHT & COMBO

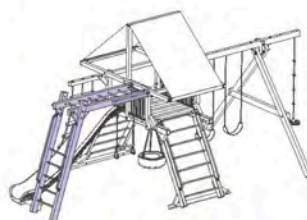

- » Choose from 3 different deck heights: **5', 6', 7'**
- » Choose from 2 different deck sizes: **Regular (5' x 5')** or **XL (5' x 7')**

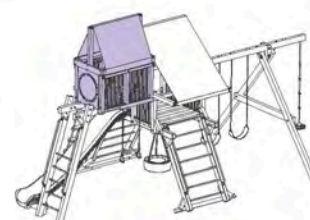

COMBO 1
base playset with slide

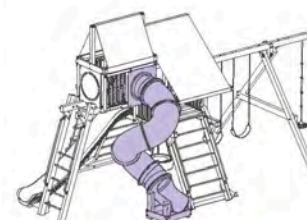

COMBO 2
add a swingbeam

COMBO 3
add a monkey climber

COMBO 4
add a skybox

COMBO 5
add a hurricane slide

3 CHOOSE YOUR OPTIONS

- » Add the features you want to create your family's ideal playset!

WOODPLAY

OUTBACK™ SERIES

Outback™ angled ladders are a Woodplay® original - and now an industry standard. The Outback creates the most room “down under” the deck - enough room for a rotational tire swing - and gives wide access to the deck from the rock wall or chain ladder.

Now, we’ve made the Outback even more flexible! Choose from 6 different sizes (3 deck heights and 2 deck sizes). Plus, select the options that make it just right for your family. The Outback Series is available in Redwood or Cedar.

PLAYHOUSE SERIES

The Playhouse series lets them unwind with traditional, square base playsets that allow for popular accessories such as a built-in sand box or picnic table. These options for more relaxed play let them take it easy after a long day of fighting crime, exploring uncharted waters, or any other adventures their Woodplay® playset will take them on! Playhouse playsets are available in redwood or cedar.

6-IN-1 PICNIC TABLE

The 6-in-1 Picnic Table creates unlimited ways to have fun! The table can be used for picnics, snack time, birthday parties, games, writing, coloring or drawing and easily converts into a lemonade stand, pizza counter, ticket booth or passport checkpoint to exotic places.

The 6-in-1 also includes a sandbox feature kids can dig into with or without the seats! Put the cover on the sandbox and it becomes a playtime platform that transforms into a stage, dance floor, chic boutique, art studio, fire station, workshop or anything else your kids dream up!

MEGASETS

The Mega Sets Series offers playsets that are as big as your imagination. The Burma Bridge™ and Crawl Tunnel™ connect multiple bases, both angled and square, to create mega sets with endless opportunities for customization.

5' Crawl Tunnel

The elongated profile is kid-friendly for crawling. Spy holes enhance comfort in warmer weather and provide visibility for added safety.

5' Burma Bridge

This handsome connector lets you step from one playset to another, with a natural appearance that will complement your backyard.

WOODPLAY[®]

NOTES

WARRANTY & CARE

Woodplay has been the trusted, industry-leader in playsets since 1975 and is the ORIGINAL Redwood Playset. Today, Woodplay continues to offer premium redwood playsets and value-oriented cedar sets that all deliver innovative play concepts and meet the uncompromising safety standards of Woodplay.

5 YEAR WARRANTY

Subject to proper installation and normal residential use, Woodplay warrants, subject to the limitations stated below, to the original retail purchaser all chain, seats, swing hangers, hardware, metal braces, ropes and accessories to be free from defects in material and workmanship for a period of five years from date of purchase. Cracks in non-functional plastic components are not considered defects in materials and workmanship if they do not affect the functionality of the playset. Merchandise covered under this limited five-year warranty will, at our option, be repaired or replaced, excluding any freight or labor fees.

15 YEAR WARRANTY

In addition, for fifteen years after the original purchase date of our cedar playsets, Woodplay warrants, to the original retail purchaser, all wooden components against structural failure due to corrosion, wood rot, or insect infestation. Seasonal checks, surface cracks, knotholes and knots, not resulting in structural failure are natural characteristics of all wooden play equipment, and are not covered under this warranty and will not affect the integrity of your playset.

LIMITED LIFETIME WARRANTY

Further, for the lifetime of our redwood playsets, Woodplay warrants, to the original retail purchaser all wooden components against structural failure due to corrosion, wood rot, or insect infestation. Seasonal checks, surface cracks, knotholes and knots not resulting in structural failure, are natural characteristics of all wooden play equipment, and are not covered under this warranty and will not affect the integrity of your playset. Woodplay warrants to the original retail customer that we will replace any swing hangers, swing chains, metal braces, metal rungs or hardware that fail due to rust or breakage (excludes surface rust). This limited lifetime warranty also applies to our exclusive Super Slide, Hurricane Slide and Alpine Slide.

Timber is a natural material which can absorb and release moisture. Although this product is designed to minimize this effect, in certain circumstances some movement or distortion is unavoidable. During dry hot weather timber may shrink and check - this is a normal process of weathering. After the first year of service it is advisable to clean and apply a non-toxic stain or sealant to the wood, safe for children's use. Components covered under this 5 year, 15 year and limited lifetime warranty will be replaced free of charge excluding freight and labor fees. Non-residential use of the playset is prohibited and voids the warranty as the playsets are designed for residential use only.

Escalade Sports reserves the right to examine photographs and/or physical evidence of merchandise claimed to be defective, and to recover said merchandise prior to disposition of warranty claims. Merchandise returned to our factory for examination or recovery must be shipped freight prepaid unless a return authorization number is issued.

This warranty program does not cover normal wear and tear, color fading, or damages resulting from misuse, abuse, vandalism, alteration, acts of God, or assembly and maintenance contrary to our instructions. Escalade Sports assumes no responsibility for incidental or consequential damages which may arise from the purchase or use of our equipment. Please supervise your children's play activity and maintain your play equipment periodically.

This warranty is expressly in lieu of all other warranties, expressed or implied, including warranties of merchantability or fitness for use. Woodplay does not assume or authorize any person to assume for us, any other liability in connection with the sale of our products.

SPECIAL NOTE: Woodplay reserves the right to make changes in materials, design, and pricing without notice. See your instruction manual for maintenance requirements. Your child's safety is your responsibility; therefore, you should inspect this equipment regularly for wear and safety.
